

18th Poker Masters at Casino Seefeld

There are still hotel packages for those who decide at the last minute

With its casino, an important long-established centre of poker-playing located in the middle of the Tyrolean mountains, the Olympic region of Seefeld is always worth a trip. Poker players from all over Europe appreciate the pleasant atmosphere and ideal mix of recreation and gaming fun. One special highlight is the Poker Masters being held this year for the 18th time. Once again Casino Seefeld Poker Manager Marcel Pipal and his team will come up with an attractive programme and elaborate tournament agenda for the tournament week from **17 to 22 June 2014**.

Things kick off on Tuesday, 17 June, with the first Hold'em No Limit Deep Stack Tournament, in which the buy-in is € 350. Three additional Hold'em No Limit Deep Stack Tournaments follow from Wednesday to Friday with buy-ins of € 300, € 250 and € 350, where all bounty lovers get twice what they've come at the same time. A closing tournament in this mode featuring a € 200 buy-in brings the tournament week on Sunday to an end.

The high point, however, is the **Masters Main Event** taking place on Saturday and Sunday with a buy-in of € 500. For all players there is an option for a second chance through level 10. Guests at Casino Seefeld can look forward to sizzling cash game action as well. The offers

include Pot Limit Omaha with blinds starting at € 5 / € 5 and Hold'em No Limit from € 5 / €.

For all those who take part in at least four tournaments or are enthusiastic cash game players, Casino Seefeld has a hotel package for just € 100 featuring the overnight stays (including breakfast) from 17 – 22 June 2014 in one of the two 4-star luxury hotels „**Hotel Eden**“ or „**Dorint Alpin Resort Seefeld/Tyrol**“.

Furthermore, there is a 20% rebate on beverages at our casino bar for all guests. We recommend reserving soon because many of the 120 available packages are already reserved.
