

European Casino Association's first EU Casino Security Meeting

Brussels, 30 April 2014 – The first European event on counterfeit currency was held last 24 and 25 April in Casino de Torrequebrada (Málaga, Spain). It was organized by the Bank of Spain, the European Anti-Fraud Office (OLAF) and the Spanish Casino Association and a total of 85 participants attended, representing 14 European Countries.

It was also the first time that the European Casino Association held a meeting with the people Responsible for Casinos' Security in order to exchange their experiences and work in common topics and issues.
