

# **Euroforum-conference „Sports-Betting“ a new market forms up**

On the 29th and the 30th of Mai 2006 the most comprehending event regarding the sports-betting market will take place in Germany. The Federal Constitutional Court's decision and its impact will play a vital role. Attorney-at-law Martin Arendts from ARENDTS ANWÄLTE law office specialised in Gaming Law will give a lecture and is at your disposal for any questions.

The event will be arranged by the renown organiser Euroforum in cooperation with the German sports publishing house. Further information is available under <http://www.euroforum.de/p1100605>
