

# **Gaming Standards Association (GSA) Welcomes Austrian Gaming Industries (Novomatic Group of Companies) as Newest Platinum Member**

Las Vegas, Nevada – The Gaming Standards Association (GSA) proudly welcomes its newest Platinum member, Austrian Gaming Industries (AGI) part of the Novomatic Group of Companies.

Austrian Gaming Industries GmbH (AGI) a 100-percent subsidiary of Novomatic AG („[www.novomatic.com](http://www.novomatic.com)“:http://www.novomatic.com) is an integrated global gaming company specializing in the design, development, manufacturing, distribution and sales of electronic gaming machines and advanced technology products. As Europe’s leading manufacturer AGI delivers one of the broadest product ranges in the industry.

GSA President Peter DeRaedt said, “We are pleased Austrian Gaming Industries has become a Platinum member of GSA. AGI has been a longtime Gold member, and recently made the decision to upgrade to Platinum status, join the board of directors and further their commitment to the work of GSA. As a proven leader in our industry with extensive influence in Europe and valuable insights into the industry on the continent, we welcome their strong show of support and input.”

Established in 1998, GSA continues to deliver the freedom and power to do what you want through GSA’s standard and protocols.” Our members represent a wide cross section of the global gaming industry.
