

Enada Rome confirms its strategic importance

From 4th to 6th October the appointment is in Hall 1 of Fiera di Roma.

Numerous confirmations and returns by the sector's companies, exhibit spaces growing

Rimini – ENADA Rome is growing again and moving from Hall 2 to Hall 1 at Rome expo centre. This is the closest point to the East entrance, thus favouring visitor traffic to the utmost, but also confirms an important increase in exhibit space compared to the previous edition.

A few weeks before its inauguration, ENADA Rome confirms that it is an indispensable event able to bring the entire sector together, thanks to its role as a driver for discussions and development of the most recent normative aspects and driving force for the trade's new trends.

This growth and the importance of the autumn appointment, is also due to restored confidence on behalf of many companies who have decided to return and exhibit, including: Acme, Bakoo, Elettronica Video Games, Mag Elettronica, Marim, Novomatic Italia, Octavian, confirming this is an appointment not to be missed by anyone wanting to do business in the gaming sector.

There are also numerous new entries: from Goldbet to Nexigames and Planetwin 365-Sks 365 Group, to mention just a few, plus important confirmations, such as: Alberici, Cool Things, Cristaltec, Farogames, Fiam Automazione, Merkur Gaming, Nazionale Elettronica, Scimmesse Italia, Special Game and TecnoPlay.

All the sectors of the gaming world are represented and important confirmations will be officially announced in the

next few days: Raffaele Curcio, chairman of the National Association SAPAR, stresses, „This edition of ENADA Rome will be an opportunity for a great upswing for the sector's companies, considering the presence of the product chain's various key players. I hope that those who are undecided believe once again in ENADA Rome and give the entire trade a great signal, participating actively in the expo.“

This year, the 44th edition of the SAPAR International Amusement & Gaming Machine Show, organized by Rimini Fiera, once again has the support of Euromat and the collaboration of ASCOB, Fidart, Anesv.
