

The Nominations are in: The Judging Starts!

[The International Gaming Awards](#) (IGA) has received a record amount of Nominations this year, which only proves that the IGA provides an invaluable benchmark for gaming technology companies, resort operators and global gaming companies.

It is time for the judges to start their arduous task – paring the many to the few!

Our twenty-three judges, selected from amongst the most experienced and influential figures in the gaming industry have to select from the hundreds of nominees.

The judges will sift through the supporting evidence that has been supplied by the nominees to give us our finalists – details will be published in the Infinity Gaming Magazine and presented on the IGA web site.

Winners will be announced on 6 February 2017 at the charity focused gala dinner at the most prestigious address in London the number 1 Park Lane at the InterContinental Hotel. Do not delay booking your tickets! Last year the IGA event which took place at the Savoy Hotel in London was a total sell out! So join the greatest gathering of Gaming movers and shakers at the International Awards.

We would like to take this opportunity to thank all our Sponsors, participants and donors to our chosen charities for their kind support we had from you for nearly a decade! Thank you!
