

Cash-Fever Jackpot cracked in MERKUR CASINO

Win of Ron 125.000 (approx. EUR 40.000)

Bucharest/Espelkamp. Last Wednesday (March 7, 2007) at around 9 p.m. a player in the MERKUR CASINO "Point Zero" in Bucharest hit the jackpot of the Cash Fever, a machine of the casino machine manufacturer "Atronic" and won Ron 125,000, the equivalent of roughly EUR 40,000.

"The Cash Fever machine has been one of the favorites of the players in Rumania from day one!" says Rolf Falke, General Manager MERKUR CASINO and continues to explain: "We will therefore equip our other arcade locations in Bucharest and Constanta with this top product in the short-run." So far, only gaming aficionados in Croatia had the opportunity to enjoy this remarkable product when visiting the MERKUR CASINO in the Hotel 'Westin' in Zagreb.

Cash Fever forms part of the product portfolio of the Atronic group, one of the three business segments of the GAUSELMANN group. The Atronic group – Atronic International, Atronic Americas, Atronic Australia, Atronic Russia, and Atronic Systems – offers highest quality casino machines and games with innovative jackpot systems and network solutions.
