

Novo Panamá presents stellar line-up of gaming machines at SAGSE Panamá

Novo Panamá is returning to El Panamá Convention Center on May 10-11 for the annual SAGSE Central America & Caribbean gaming show in Panama. With a wide range of products, the local NOVOMATIC subsidiary will have a large presence on Stands #109 and #203 to demonstrate the continuous expansion of NOVOMATIC throughout the Central American gaming markets.

NOVOMATIC subsidiary Novo Panamá is once again a Platinum show sponsor at SAGSE Panamá and will present an array of its latest products for the region. Making its Panamanian debut will be the international gaming machine GAMINATOR® Scorpion, which brings new and proven NOVOMATIC content to the gaming floor in outstanding high-definition. Another show-first is the dual-screen GENESIS II cabinet that will display a range of leading as well as market- attuned content.

Top performers on Central American gaming floors are sister cabinets the DOMINATOR® and DOMINATOR® Curve that will both return to SAGSE Panamá with new slot content. Other gaming machines returning to the show due to their extensive popularity in the region are the upright IMPERATOR™ S3 and slant top NOVOSTAR® SL2 that will host a variety of slot games and electronic table content.

The complete line-up of V.I.P. cabinets – NOVOSTAR® V.I.P. II, NOVOSTAR® V.I.P. III, NOVOSTAR® V.I.P. Royal and V.I.P. Lounge™ – will be presented, each creating an exclusive gaming environment that allows players to play their favourite games with a new level of comfort and sophistication. Jackpots and tournaments will be running on the gaming machines, with guests invited to try their luck on several live tournaments during both show days for the chance to win some cash prizes.
