

# **Irish Coin-Op Expo confirms dates for 2008**

Organizers of AmEx 2008 – The 29th Irish Gaming & Amusement Exhibition, announced that the event will be held at the Lynch Green Isle Hotel, Dublin on Tuesday 4 & Wednesday 5 March 2008.

The free admission and seminar programmes that made recent exhibitions such a success will continue.

Following the revitalisation of the Irish gaming and amusement sector, the 2008 event is set for further expansion. Recent developments in Ireland indicate that there will be considerable interest from those involved in gaming, amusement, casino, betting and online gaming.

Proposed changes to existing gaming legislation and the introduction of regulations for the growing casino sector will add further to this already successful event. The Mary Openshaw Memorial Award For Excellence will once again be announced at show time.

There is expected to be considerable interest in gaming, particularly in the light of current AWP, casino, FOBT and online gaming activity. Many new gaming products will be shown, making this an important show from both a gaming and amusement point of view.

In addition to the exhibition there will be a programme of seminars, meetings, business presentations and social gatherings, continuing the show's reputation for bringing together Irish and international manufacturers, distributors and operators in a businesslike atmosphere.

Visitors from all over Ireland and further afield will converge on Dublin for the two most important days in the

Irish Gaming & Amusement Calendar, combining business activities and social events, making it an occasion not to be missed.

AmEx 2007 exhibitors have until the end of July to confirm their requirements for 2008, after which all remaining space will be offered to new companies, some of whom are already on a waiting list. A number of existing exhibitors have also requested additional space.

AmEx is organised by MD Associates and supported by IGAA – the Irish Gaming & Amusement Association (Member Of Euromat). For further information go to [www.coin-opexpo.eu](http://www.coin-opexpo.eu)
