

With **ISA-CASINOS** up to date

[key:IC] and N24.de inform you now fast and clear about the latest global news.

Together with the Berlin broadcast station N24, [key:IC]  keeps you up-to-date. N24 offers you the latest news about politics, economy and sports on the [key:IC] websites. The top events in headline format are getting updated continuously – you see what has happened all over the world at a glance.

What's the second cabinet of Schröder going to look like? Which tax liability plans will be followed by the German Government? Actual debates and interesting news out of the capital and, additionally, the latest news about foreign policy. Will the USA aggress Saddam Hussein? Will there be a progress in the Middle East conflict or even a new terrorist attack? N24 news are on the air hourly – and in the internet in minute cycle.

[key:IC] is glad about the cooperation with N24.de and wishes good news to their users!
