

# Gala Night at Grand Casino Beograd

VIPs and celebrities gather in Belgrade for a Gala Night of fun and entertainment to celebrate South East Europe's newest and most stylish casino and entertainment complex.

Belgrade – The red carpet will be rolled out tonight in Belgrade as guests gather at Grand Casino Beograd for a spectacular Gala Night to celebrate Casinos Austria International's newest casino and entertainment complex. Completed in a record time of just one year, this stylish venue enjoys an enviable location on the Danube Promenade, provides an unmatched selection of gaming, dining, entertainment and event facilities on a total area of 9,000 square meters and is set to become the place in Belgrade for fun, entertainment and superb food.

With its luxurious mix of leather, glass, marble and wood, Grand Casino Beograd presents the very best in gaming and entertainment in a contemporary yet glamorous atmosphere. The venue has been extensively renovated throughout, and its ultra-modern glass frontage and clever use of lighting beautifully reflect its futuristic, open design.

Grand Casino Beograd is the perfect setting for exciting gaming with 25 tables (Roulette, Blackjack, Poker and Punto Banco) and 222 of the latest slot machines. A VIP gaming area is also available for high rollers.

The top class dining and lounge facilities offer something for every taste. Situated within the gaming area are the exclusive Diva and buffet-style Ginger restaurants. Gourmet international cuisine and superb world wines are the order of the day in Diva, while Ginger treats guests to an Asian fusion taste sensation. Next to Diva is the Piano Bar, the place to

relax over a cocktail and enjoy the live music and entertainment.

The smart Chameleon restaurant and terrace and Roulette Bar Lounge are located outside the gaming area and are also open to non-casino guests. The colors change regularly in Chameleon, where French and Italian cuisine is served from morning till night. The unique circular bar, comfortable sofas and terrace in the Roulette Bar Lounge invite guests to chill out and enjoy the music in a club-style setting.

The multifunctional Parada function room provides some of the best event facilities in the city and is the perfect venue for all manner of events from cocktail receptions, parties and banquets to seminars and press conferences. Parada comfortably accommodates up to 250 people and is fully equipped with the latest high-end audio and video equipment.

The gaming area also features an exclusive Vicky M store, Serbia's only outlet for the renowned Michalis Jewelry's fine new line for the young and fashionable, offering a range of designer jewelry and accessories.

As one of the most attractive destinations in Belgrade for national and international visitors alike, Grand Casino Beograd will be of great importance for tourism in Serbia, generating valuable income for the city. „We have done our utmost to create a venue that meets the expectations of a wide range of target groups – from business travelers and tourists, to local people seeking a fun night out,“ said General Manager, Ivan Crossman. „No other place in Belgrade offers as large a choice of entertainment, and our service is second to none.“

With some 400 staff, Grand Casino Beograd is one of the region's biggest employers in the entertainment sector. The predominantly local staff has been trained in all aspects of the venue's operations, with special emphasis placed on guest

relations.

85 million euro has been invested so far in this extraordinary project, which was developed in partnership between Casinos Austria International (CAI), Club Hotel Loutraki and the State Lottery of Serbia. With its top quality service, highest security standards, exclusive facilities and impressive design, Grand Casino Beograd is the largest entertainment venue of its kind in South East Europe.

CAI is a leading player in the international casino industry. Together with its parent company, Casinos Austria AG, it currently operates 78 casinos in 18 countries and on board 13 cruise ships, with further casinos under development in Argentina and Chile.
