

# **SIGMA'19 will bring all iGaming continents together**

\*SiGMA The World's iGaming Village will facilitate iGaming sector globalisation\*

SiGMA'19 expo will take place from 27th to 29th November 2019, at the MFCC in Ta'Qali, Malta, with a focus on deal-making and business expansion for the sector. Delegates and exhibitors alike will benefit from the convergence of iGaming industries across continents from East and West, with a spotlight on the integration of AI & Blockchain into the iGaming ecosystem.

As a truly world class event with an elite selection of delegates, policy makers and thought leaders pouring in from across the globe SiGMA is proud to call itself the World's iGaming Village. Through a commitment to quality and years of successful operations, SiGMA

has developed a strong brand, evolving into a global influencer with the ability to facilitate the biggest deals across the iGaming sector. This global stance is reinforced by the Group's expansion to Asia, with the inaugural SiGMA Manila taking place in June 2020.

Eman Pulis, founder and CEO of SiGMA Group.

SiGMA'19 will welcome over 400 sponsors and exhibitors, 200 industry-leading speakers and a record breaking 15,000 attendees from over 80 countries.

Activities during the SiGMA'19 show will once again include the popular SiGMA Pitch, providing a space for 100 innovative young startups to gain valuable exposure on the expo floor, score exclusive invites to networking events, and reel in potential funding and mentoring from industry veterans.

Furthermore, the Malta Gaming Awards returns for another season, celebrating the greatest stories of success across the iGaming industry. With twelve categories, each of which isolates a specific contribution to the iGaming industry, the Malta Gaming Awards ceremony shines a spotlight on the winners and raises money for charitable institutions through the recently inaugurated SiGMA Foundation. SiGMA'19 will again see the most inspiring and innovative achievements of the industry honoured at the Malta Gaming Awards.
