

The World's iGaming Village is back!

Bringing East and West Together

The sixth edition of SiGMA is all set to welcome over 400 sponsors and exhibitors, 200 industry-leading speakers and a record breaking 15,000 attendees from over 80 countries! We're excited to be hosting our largest show to date in Malta's largest venue, the MFCC in Ta' Qali on November 26th – 29th.

With an elite selection of delegates, policymakers and thought leaders pouring in from across the globe, SiGMA is proud to call itself the World's iGaming Village. This global stance is reinforced by the Group's expansion to Asia, with the inaugural SiGMA Manila taking place in June 2020.

Our „floor plan“: <https://sigma.com.mt/events/europe/floor-plan/> is sold out so the expo floor will be packed with operators, affiliates, service providers and more. There's also plenty of elite networking events such as iGathering dinner, Betting on Boxing, and Poker Tourney taking place alongside the busy expo space.

Here's your last chance to „secure your ticket“: <https://sigma.com.mt/register/>. If you have already

got your tickets, be sure to „check out“:<https://sigma.com.mt/conferences/europe/2019/> our agenda, topics and panels.
