

SIGMA Group Announces Malta iGaming Awards Contenders

Gala dinner will be followed by a charity auction in aid of the SIGMA Foundation

SIGMA Group has announced the finalists for the Malta iGaming Awards taking place 26th November 2019, at the Hilton Hotel, St Julian's, Malta.

The awards evening includes a gala charity dinner at the Hilton Hotel with a number of paintings and artworks to be auctioned off to raise money for good causes. The fund-raiser is organised by SIGMA Group and all proceeds will go towards The SIGMA Foundation.

SIGMA Group is welcoming the cream of the iGaming community to the Awards night gala, which will provide a chance for premier networking with fellow industry leaders, and an opportunity to mingle with the creative minds behind the artworks. The auction will feature a number of innovative pieces from established artists, both local and international.

This year there are some 30 awards categories, reflecting how the iGaming sector has expanded and diversified over the last year.
