h4. Mix Biz with Pleasure

BET London iGaming Expo 2020 is not just the traditional event: conference and exhibition, but a unique entertainment show program as well.

It is a platform for those who are looking for the best environment to conclude new business partnership.

Join more than 2500 iGaming experts from all over the world to understand

the future of such a fast-growing market. The occasion will unite experienced specialists in gambling sphere and representatives of world-renowned companies working with affiliate marketing.

h4. All you need to know in just 12 hours

The event will gather over 30 speakers from every corner of

the world to discuss where and how the industry is developing today.

The conference agenda covers all the segments and verticals of the industry. Essentially the event has two global aims: unveil the industry pitfalls and understand the future of a rapidly-growing market. We will identify and put together the segments of allied technologies (Blockchain, AI, VR) laying the foundations of a new generation of online gambling. All of these and more will be covered in six blocks:

- * Real cases. Marketing power
- * Pitfalls of law. Evolution of business solutions (legalization, payments, GEO challenges)
- * Future of gambling industry. Innovative profitable technologies
- * The latest insights from Software Development World. Unveil customer experience
- * LatAm: The sleeping giant
- * Affiliate marketing. The evolution!

Don't miss the chance to listen to star speaker *John Lefebvre*. A Neteller founder will speak after a long time being out of the public eye.

The detailed agenda is available on „the website“: https://betexpo.uk/?utm_source=pr&utm_medium=press_release&utm_campaign=isa-guide.de.

h4. Show what you've got and check out the others!

Over 50 companies will gather at our exhibition to present their newest products. Be among the first ones to see the latest technological solutions for gambling industry.

The exhibition is a leading marketing tool allowing participants to present brand to the highest-quality target audience, examine competitors' solutions and conclude cooperation agreements.

h4. Forget the formalities!

The BET iGaming Expo is all about the unique vibe of informal networking. As a gathering of iGaming enthusiasts, the event has all the means you might need for efficient networking: Preparty, Networking zone, VIP zone, Poker tournament, Afterparty.

While hanging out with the like-minded fellows, it is your chance to find investors, make great deals and discuss further cooperation in a cozy atmosphere.
