

# Casino Duisburg first with Aristocrat's full MarsX™ launch set

Casino Duisburg is the first European operator to install the full complement of Aristocrat's new MarsX(TM) launch games. A member of the German market leading Westspiel Group and situated in the western German state of North Rhine-Westphalia, Casino Duisburg introduced its players to a full bank of games comprising Buffalo Gold Revolution(TM), Fu Dai Lian Lian(TM) Dragon(TM) & Panda(TM) and Mighty Cash Ultra(TM) Lion Charge(TM) & Phoenix Storm(TM).

Casino Duisburg Director, Michael Wiebeck said, "Our customers have a great affinity for Aristocrat games with Lightning Link(TM), Buffalo(TM) Gold, classic games and a number of other recent standalone themes amongst the most popular. MarsX has an original and futuristic appearance that instantly appeals to players and the strong content has proven itself

with a strong following building up ever since the launch.”

Erik-Jan van den Berg, Aristocrat Vice-President of Sales & Business Development – EMEA, added, “Casino Duisburg has always been at the forefront in terms of adopting new gaming concepts and we were delighted to partner with them in this European première. They form part of an illustrious list of casinos spread around the continent who have already seen the benefits of this new form factor on their gaming floors, including premium sites in Holland, Germany, France, Italy and Portugal. Performance has been strong across the board, boding well for other operators who will witness an even greater portfolio of games on display at the forthcoming ICE Show.”
