By the way, Guangdong has downgraded its public health emergency response from level 2 to level 3, effective on May 9th, meaning that large-scale exhibitions and conferences in Guangdong are allowed to be staged again, which is certainly going to pave the way for the successful staging of China VMF 2020!

To enjoy the best one-stop sourcing experience, China VMF is the place to be! For more information, please don't hesitate to contact us!
