

NOVOMATIC products at Casino Marina Blantyre

NOVOMATIC Africa partners with Rank Entertainment Holdings Group

The local NOVOMATIC subsidiary partnered with Rank Entertainment Holdings Group on the gaming offer for yet another successful casino opening. Casino Marina Blantyre's big opening celebration took place on October 22nd and presented a gaming floor with NOVOMATIC gaming highlights featuring prominently.

The opening event took place in a prestigious setting with government officials and socialites in attendance. The scene was set in decorative dice and casino chip pieces, signature golden peacock crafts, the lobby cladded with scenic flower arrangements and a Casino Marina Blantyre branded banner wall as the Rank Entertainment Holdings Group was set to welcome esteemed guests through its doors to yet another grand opening of one of their casinos. Casino Marina Blantyre, situated at the prestigious five-star Sogecoa Golden Peacock Hotel, is the Group's second casino in Malawi and the latest addition to the Casino Marina footprint in the six major cities of East Africa; Maputo, Beira, Lusaka, Harare, Lilongwe and now Blantyre.

NOVOSTAR® II

NOVOMATIC Africa is proud to have yet again partnered with the Rank Holdings Group on the Casino Marina installation. The classic NOVOSTAR® II 2.24 cabinets with dual 23.8" LED HD screens and stirring game-synchronized LED illumination are installed on the main floor of the Casino Marina Blantyre and for the high-adrenaline seekers there is another bank of the NOVOMATIC bestsellers in the Salon Privée.

A leading NOVOMATIC multi-game selection, comprising the Premium-V+ Gaminator® 1sT, 5sT, 7sT and The Legend Gaminator® 2T guarantees that guests of the Casino Marina Blantyre are offered all the most popular NOVOMATIC games such as Plenty of Fruit™ 20 hot, the legendary Book of Ra™ deluxe, Sizzling Hot™ deluxe, Lucky Lady's Charm™ deluxe and many more.

& Casino Marina
Lilongwe

Terrence Mushwana, Sales & Technical Executive NOVOMATIC Africa, says: “The NOVOMATIC GAMINATOR® cabinet is a legendary all-time favourite in the Sub-Sahara African market. The next-generation NOVOSTAR® II cabinet now returns with a plethora of classic games, based on the enhanced Coolfire™ II-s Platform. Guests of the Casino Marina Blantyre will love the great offer that comprises all the top titles – some even with an added 6th reel and ExtraBet game features.”

Tom Alcorn, General Manager Casino Marina Lilongwe and Casino Marina Blantyre, added: “We are excited to have NOVOMATIC Africa as a partner and service provider. We are confident that this latest installation in the NOVOSTAR® II cabinet will thrill our customers – who are very familiar with the NOVOMATIC classic games – with a now exquisitely repacked offer in refined high definition graphics and an invigorating cabinet design.”
