

Rumanian Expansion in the sign of Merkur sun: Modern Merkur Casino gaming fun now also in Romanian Pitesti

Espelkamp – The city of Pitesti, population 170,000, is located about one hours' drive to the West of the Romanian capital of Bucharest. Here, where among others the automotive company Dacia operates a manufacturing plant, MERKUR CASINO opened its latest – and thus the eighth – location in Romania in mid-May.

The newest MERKUR CASINO entertainment center is located in the heart of the city, in the main shopping and pedestrian zone. 35 modern Casino gaming machines including Atronic's popular „Cashfever“ and electronic roulette tables allow gaming patrons to enjoy modern entertainment in an exclusive ambiance 24/7.
