

# Stylish Entertainment in an Exclusive Location: Merkur Casino celebrates a further arcade opening in Slovakia

## Casino-look arcades proving to be a Continued Success

Trencin/Espelkamp. Merkur Casino – the pan-European arcade operator of the Gauselmann Group – has opened its seventh entertainment centre in Slovakia in the town of Trencin in mid May under the brand name “Merkur Herna”.

The new casino-styled arcade covers an expanse of 340 m<sup>2</sup> and offers guests a total of 44 gaming positions (that can be further extended) including the very successful “Games Unlimited” from Merkur Gaming as well as two Merkur electronic roulettes that both have eight playing positions. Electronic roulette is proving to be extremely popular in Slovakia.

Merkur Herna in Trencin

The new “Merkur Herna” can be found in the brand new shopping centre called Laugaricio and fits in perfectly to the ambience of predominantly boutique shops that offer the latest European trends. This new location in the town of Trencin with 57,000 inhabitants has become the largest and most modern property that Merkur Casino autonomously operates in Slovakia.

The essential and distinctive attributes of each and every Merkur arcade in Europe are the choice of stylish interior decorating in an up-market vicinity, a first-class product range as well as exemplary service according to international quality criteria via optimally-trained members of staff. The

new Merkur Herna in Trencin further underlines this. The official opening ceremony will take place in summer.
