

Gaming in Germany Online Event: H2 Gambling Capital to participate in upcoming Gaming in Germany Online Event

GAMING GERMANY

As we announced earlier, Gaming in Germany will be hosting a Online Event titled [Market & regulatory update](https://us02web.zoom.us/webinar/register/WN_0M6mwTj3SCy5Fnkgdm3X5Q) on **Wednesday, March 23**, at **15:00 CET**.

During this webinar we will be looking back at the first nine months of the regulated German iGaming market, as well as looking forward to upcoming regulatory developments.

The Online Event will feature Germany's leading expert on remote gambling regulation, **Dr. Jörg Hofmann**, Head of the Gaming & Betting Law Practice Group at Melchers Law, as well as the country's leading scholar on gambling-related social responsibility, **Prof. Dr. Tilman Becker**.

Furthermore, we are proud to announce the addition of **David Henwood**, Director of H2 Gambling Capital, to our speaker lineup.

Webinar topics

* Key market growth & market channelization developments

- * Key regulatory developments
- * Advertising
- * Social responsibility and responsible gaming

During our Online Event, we will also be looking back at the 2022 edition of the gambling symposium organized by the University of Hohenheim on March 15-16. This annual, German-language symposium brings together Germany's leading gambling researchers, policy makers, and regulators.

It is our aim to make the discussions and findings of this symposium accessible to a wider, international audience, as well as to provide a more general update on the overall state of Germany's regulated online gambling market.

If you are interested in the latest developments in Germany's online gambling market, this Online Event is not to be missed!
