

This Wednesday: Germany Online Event on licensing, market size & RG obligations

GAMING GERMANY

We would like to remind you that this Wednesday, March 23, at 15:00 CET, Gaming in Germany will host the Online Event Market & regulatory update.

During this Online Event, our expert speakers will discuss several key topics that are of crucial importance to operators, B2B service providers, and other stakeholders interested in the regulated German online market:

- * Market size & growth projections
- * The need to license individual games and bet types
- * Advertising and responsible gaming obligations

Our speakers:

- * David Henwood, Director, H2 Gambling Capital
- * Dr. Jörg Hofmann, Head of the Gaming & Betting Law Practice Group, Melchers Law
- * Dr. Tilman Becker, Director, TC Becker Consult

If you are in any way professionally involved with Germany's online gambling market, this Online Event is not to be missed!
