

Peru Gaming Show 2022: NOVOMATIC with product premieres in LATAM

Peru Gaming Show in Lima is approaching fast, providing a much-coveted occasion for the entire Latin American gaming industry to find out what's new and hot in the market. NOVOMATIC will participate with a broad selection of premium gaming technology and solutions – as well as with the entire LATAM team live at the show.

Gumpoldskirchen – On June 15 and 16, the Latin American gaming industry will gather at the Peru Gaming Show (PGS) in

NOVOMATIC
Winning Technology

Lima's Jockey Exposition Centre. NOVOMATIC will welcome all show visitors, entrance left at booth no. 71, with hot best sellers, top-performing must-haves and an X-citing Latin American premiere.

The brand new DIAMOND X™ 2.32 will be shown publicly for the first time outside Europe. Launched in March 2022, this exciting new cabinet introduces fresh style and crisp game presentation for every casino floor. The DIAMOND X™ 2.32 is an exceptionally elegant dual-screen machine characterized by its black metro finish and exquisite LED silhouette – ready for all demands of the modern gaming floor with premium components, easy integration of player tracking systems and full compatibility with standard protocols.

Latin American operators and their guests will quickly recognize the new cabinet's intriguing visual highlights such as the new grill on the front door panel as well as the indirect silhouette lighting concept, featuring LEDs for the intelligent game-synched colour effects. Main monitor features are two large 32" full HD game screens with PCAP touch on the bottom screen plus a sophisticated, integrated topper that blends in perfectly with the machine to cater for enhanced Progressives support and high visibility on the gaming floor. The standard player interface is a straightforward button deck, whereas the discerning operator can optionally specify a 15.6" TouchDeck™ player interface that is complemented by two extra-large physical buttons for familiar reel spin haptics.

On the show floor in Lima, the DIAMOND X™ 2.32 will showcase the new Progressive multi-game NOVO LINE CASH CONNECTION™ Edition 3, featuring 13 titles encompassing powerful pharaohs and emperors, mighty magi and brave conquerors as well as rich fruit games. Every game in this sophisticated selection of player favourites comes with a LOCK ,N' WIN jackpot feature that thrills players with instant prizes, Bonus awards and more and more chances for the big jackpot wins.

Another highlight for the region is the IMPERA LINK™ in the renowned FUNMASTER 2.27 cabinet. This highly popular Linked Jackpot multi-game comes with no less than 30 linked games,

including six new titles as well as many popular favourites.

The PANTHERA™ cabinet series will not fail to show in Lima: PANTHERA™ Curve 1.43 with the LUCKY TWIST™ Link as well as NOVO LINE™ Interactive Concurve Edition 5 and PANTHERA™ 2.27 with NOVO LINE™ Interactive Editions X1 and X2 as well as the US highlight MONEY PARTY™ Link. The NOVOMATIC offer for the more cost-conscious segment will present budget-friendly options such as the GAMINATOR® Scorpion 2.24 featuring the Impera-Line HD™ Edition 6 or the NOVOSTAR® SL 2.27 with The Legend Gaminator® Edition 2T. Systems specialists will also demonstrate the powerful functionalities of the myACP Casino Management System live at the show and explain the multiple benefits of this modular solution.

Katty Lopez, NOVOMATIC Sales Director in Peru, said: “The gaming market in our country was entirely closed for more than one year due to COVID-19. After a slow return to the new normality, this show is now a very important event. The entire NOVOMATIC LATAM team will be in Lima, not only for the show but also for our internal product meeting. But knowing that we will receive visitors from across Peru as well as from other Latin American countries, we will have all sales contacts on site and we will have an exciting array of hot products to show.”

Max Bauer, NOVOMATIC Vice President Latin America & Caribbean, adds: “PGS is important not only for us but also for the entire industry. Once again, this show will be a good stage to show our premium products, thus consolidating our commitment to drive our industry forward developing products that are up to the precise needs of our customers.”
