

# **This November Source Suppliers for Children's Games, Rides, Playgrounds and More**

Despite impacts from the pandemic, the children's amusement market continues to show strong growth momentum. Latest research by Emergen Research finds that the global family indoor entertainment market size reached USD 24.35 Billion in 2020 and is expected to reach USD 52.59 Billion in 2028.

Putting global buyers in touch with China's first-class children's amusement equipment manufacturers, **\*\*G&A 2022\*\*** is the first-choice sourcing platform for global children amusement project investors, developers, operators, stakeholders, and so forth.

If you are interested in visiting in person, and have questions about Guangzhou's quarantine policy, welcome to enquire us. For those who won't be able to visit offline, we are also happy to help you make contact with our exhibitors.
