First-class entertainment is on offer to visitors at the new Merkur Casino branches that opened their doors on 10th and 13th September in Sopron (Hungary) and Bratislava (Slovakia). Sopron thus welcomes its second Merkur Casino branch of the subsidiary of the family-managed Gauselmann Group from Espelkamp in Germany's North Rhine-Westphalia. The Slovakian capital city Bratislava welcomes its third Merkur Casino branch.

The new Merkur Herna (Herna is the translation for arcade) in Bratislava is situated in a district amid the largest residential estate called Petržalka. This residential area covers 28.7 km² and more than 120,000 people live in this area which has the highest population density in the whole of Slovakia.

Guests can experience pure gaming fun spread over about 400 m² in this Merkur Herna. The arcade currently offers a roulette facility, almost 50 slot machines and Video Lottery Terminals (VLT's) also made by Merkur Gaming (MLT's) as well as a pool table. A comfortable café lounge rounds off the selection.

A motivated team under the branch management of Monika Mile looks after the players' well-being. The branch is open daily around the clock.

The new Merkur Casino in Sopron in the western part of Hungary offers more than 50 gaming positions including an electronic roulette. Guests are thus guaranteed gaming fun over more than

400 m². Branch manager Norbert Pozsgai and the whole team (that is trained to international standards) are responsible for guest wellbeing 24 hours a day each and every day.
