[key:IC] congratulates the winner of July, Peter Karall, for his performance. Although the Love Parade was held in Vienna,

Petrus sent us 35 degrees and the time schedule was quite unusual for a Poker tournament, the tournament was a great success. This is maybe caused by the good name of the Pokerworld – [key:IC] World Cup and the first class poker offered by the Pokerworld Card Casino. The perfect service at the Card Casino Pokerworld also is a fact which influences the friendly atmosphere in this Casino.
