

American Chance Casinos – Reports the Gala Opening of Route 55 Casino In Dolni Dvoriste, Czech Republic

NEW YORK – (BUSINESS WIRE) – Miami Beach in the Fifties: an unforgettable blend of urban savvy and tropical style. The nostalgia of this era is captured at American Chance Casinos' (ACC) newest hot spot in the Czech Republic, Dolni Dvoriste "Route 55", just across the border approximately 45 minutes from Linz, Austria.

ACC takes great pleasure in ringing in the New Year with the opening of its fifth casino in the Czech Republic. A soft opening celebration was held, as planned, on December 19, 2004, and will be followed by a Grand Opening Gala event on January 29, 2005. This gala event will celebrate "The Fifties" in every way and will offer guests exceptional entertainment and culinary delights.

At 747 square meters, Route 55 is ACC's largest European casino and like the other casinos, it is decorated with a distinctive theme. It's interior is inspired by the Miami Beach Modernist style and is painted with a striking palette of vibrant colors. There are 16 tables (8 American Roulette, 4 Blackjack, and 4 Poker), 2 electronic Multi-roulette tables and 94 slot machines on the main gaming floor. Additionally, on the first floor are reception, bar, coffee and grill areas. A VIP lounge, VIP gaming room and Italian restaurant with an

open buffet are located on the mezzanine level, and complemented by an expansive card room and open-air terrace.

A new casino experience awaits you there!

ACC, created by the New York based Trans World Corporation (TWC), has a unique and innovative operating philosophy. Its entertainment, casual and exciting atmosphere, together with the consistently high level of personal service and professionalism, draws loyal gaming enthusiasts across international lines.
