

Mr Green Sponsor exquisite raffle item in Support of charity at International Gaming Awards

Clever Duck Media is proud to welcome Mr Green – the multi-award award winning online casino operator as Sponsor for the charity focused – 8th International Gaming Awards Ceremony.

At the heart of Mr Green lies the Casino experience, built on the foundations of entertainment, fun, excitement and fairness. Originally launched to the Swedish market back in 2008, Mr Green has spread his umbrella and is now a major online Casino operator.

Mr Green allows players to set a personal limit in terms of the risk they wish to take. Mr Green calls this 'Green Gaming' and players can choose to limit the amount deposit, wager or lose during a running week. It simply wouldn't be gentlemanly to permit people to play for more than they can afford to lose.

Colin Thompson, organizer of IGA, commented: „We are very happy that such a well known and reputable, multi award winning operator as Mr Green is helping us to raise money for our charities. We will be announcing details of the fabulous raffle very soon. All I can reveal at the moment it will be precious and an expensive commodity“
