

insic: Welcome to the ICE 2015

Having enjoyed the support of [key:IG] throughout the last years, we are happy to welcome our customers at ICE 2015 in London on our own booth.

Between 3rd and 5th of February you will find us at **booth N7-550**. We will inform you about our extended service portfolio and discuss the latest developments in our line of business.

Visit our new website www.insic.com for details. Fix a meeting and reserve one of our on-site-specials.
